# VISIT VICKSBURG

*The Key to the South*

Vicksburg is a city that exudes Southern charm. If you are looking to get away for a few days we have many different itineraries to fit any trip or taste. Enjoy your getaway and be sure to tag us in your pictures at #visitvicksburg to be featured on our Facebook or Instagram pages.

**THE KEY TO DINING TOUR:** *Vicksburg offers a wide assortment of dining options. With over 115 restaurants we can tempt any palate. We offer anything from elegant seated dinners at an antebellum home to breezy outdoor dining at a rooftop restaurant with 360 degree views of our historic downtown and riverfront.*

Enjoy breakfast at one of our down-home restaurants that will fill you up for at least half a day. Try the red-eye gravy at Bovina Café or tempt your senses with a frozen hot chocolate from Highway 61 Coffeehouse and a sweet treat from the Mad Baker.

After breakfast tour one of our many attractions or the Vicksburg National Military Park to work up an appetite for more. For lunch try one of our downtown dining options. Try the special at Main Street Market or have the 2x2 at Martin's at Midtown with their signature breads that are made fresh daily. You can always grab a to-go lunch and head to the Vicksburg National Military Park or one of the Mississippi River overlook sites to enjoy a picnic and really take in the scenery. Don't miss out on a fresh fruit smoothie and some fried green tomatoes at the Tomato Place.

When you are ready to eat dinner, try one of our elegant options at an antebellum home or one of our many fine dining restaurants. You can also try out an open-air rooftop dining experience at 10 South with a sunset you have to see to believe. Just make sure to save room for dessert.

Wake up and repeat for as many days as you like. Make sure to save some room for a few takeaways like Billy's Chicken Salad, Rowdy's Mississippi Mud Pie and Storycook's famous cheese straws. There are so many options for you to see, do and dine. In Vicksburg, we will have you coming back for seconds!
